Milnthorpe Primary School

Dear Parents and carers,

It's hard to believe that we're into the final week of September already! It has been a non-stop first few weeks back at school...

Year Six pupils have enjoyed a day at the County Show, learning about farming, our local community and sampling lots of goodies; the Year Six pupils have also completed their residential at Hawes End and it has to be said that the weather was A.M.A.Z.I.N.G! The children climbed mountains, canoed lakes and leapt into ghylls during a fun and action-packed few days.

We are very proud of our choir who walked all the way to Beetham Nurseries last week to perform their first concert of this academic year, after minimal rehearsal time they all did very well and enjoyed singing together once again. Back in school, Year Three have begun their swimming lessons at Capernwray Pool and our Year Two children have visited Croftside Care Home. We are looking forward to apple-pressing later this week in the village too!

Our Nursery class not only have a brand-new super, mud kitchen but a new interactive whiteboard for their classroom as well. All our new starters are settling in well and it has been wonderful seeing how welcoming and caring our older pupils are with the younger children. This is just another sign of what a truly special place Milnthorpe Primary School is.

Best wishes, Paul Macfarlane

Everyone welcome!

100% Acro Exam Success!

Our KS1 children are exceptionally lucky to have Acro lessons on Mondays, with Miss Jayne from Rigney Bank Ballet School. These lessons have proved to be very successful in increasing the children's balance and coordination, which has had a direct impact on their hand eye coordination, and as a consequence, their writing is much improved!

A group of these children were entered into the **British Theatre Dance Association Acrobatic Exam**, at Introductory and Preparatory Grade, and **every single child passed their exam!**

We are absolutely delighted for them and hope that their achievements provide a secure foundation for future theatrical endeavours 😊

Individual Photographs

Joe Mather is coming into school on **Monday 7th October 2024** for the individual children's photos (we will also have a family session first thing in the morning)

For families who are new to our school, Joe's photographs are not ordinary school photographs, they are absolutely beautiful, without being ridiculously expensive – have a look at his website to give you an idea of his talent.
