Overview of the school	
Total number of pupils on roll	169
School Sports Premium Grant	£17479 + £5243 c/f

Evaluating the impact of SSP spending in 2021/2022				
Provision	Cost	Planned Impact	Impact	Evaluation/sustainability
Staff training – coaching-subject leadership	£5117	Subject leadership. To monitor uptake of competitive sport, to monitor participation in extra curricular clubs and to target children	All staff familiar and using the PE tracker to monitor and assess pupil PE progress. High levels of extra curricular PE being	Training to remain priority to keep increasing levels of participation and to sustain and improve quality provision.

		<p>particularly in low participation (pupil premium and girl's competition and SEND). 85% of children to take part in extra curricular clubs and/or competition. To purchase tracking software to monitor participation, pupil attainment and competitive sport. To train staff in using the new software.</p>	<p>offered (eg. Running Club, sports clubs, mountaineering, mountain biking, specific coached extra curricular activities to focus on competition.</p>	
Acro Dancing in KS1 and Reception	£4542	<p>To cover cost of tuition over 12 sessions Plus cost of Acro exam And specialist clothing for children.</p>	<p>All keystage1 and Reception children were able to have access to professional dance teaching. They all successfully completed an external dance examination successfully. Improved body management of children. This has been reflected in gymnastics teaching in older age groups that have experienced Acro, and improved boy's</p>	<p>Good use of SSP to maintain a new sport and to improve PE resources.</p>

			participation in gymnastic club and competition.	
Sports equipment	£411	To maintain sports equipment at high quality and to allow a wider access to sports for children utilising the necessary equipment to participate.	Children able to access competitions through having the correct equipment. Children able to receive high quality PE with the use of good quality equipment.	Very successful in all year groups. Good use of SSP. Renew equipment when required.
Provision of trim trail for early years children	£7560	Improve gross motor development for early years children.	Awaiting completion over the summer holidays. This will provide Nursery and Reception children with additional resource to build gross motor skills.	One off use of funds but will provide sustainable benefit to Nursey and Reception children.
Sports Markings	£390	To provide a suitable athletics tracks for high quality track and field – athletics.	Improved teaching and learning of athletics.	Good use of SSP.
Competition fees	£118	To provide wider opportunities for competition with other schools. And at national level.	Opportunities for do0dgeball competition and table tennis at national level, further developing children's skills.	Good use of SSP as this has provided evidence of excellence in a variety of sports, but specifically table tennis and dodgeball with competition at a national level.
Transport to competitions, including	£3130	To allow children to take part in offsite activities and competition.	Children able to compete and take part in activities	This has given good opportunities to children and has seen success at

swimming, coaches and staff mileage.			that develop their sports and physical skills.	national level for some children and broader access to others in competition and participation. Sustainable with additional continued funding.
Rugby coaching	£280	Provision of rugby skills for KS 2 children.	Children to develop rugby/games skills at a higher level through professional coaching.	Very good sport playing/rugby skills development observed. Sustainable – in that skills will be retained and further developed if funding permits.
Dallam sports scheme	£550	Provision of local arranged sports competitions through the secondary school PE department.	All children had access to local sports and PE competitions with other local primary schools and access to coaching from Dallam PE staff; that resulted in 100% of children having access to competition and improved skills/knowledge.	Good use of sports premium due to whole school benefit of sports competition and coaching – leading to improved skills for many children. Sustainable in the future subject to adequate funding.
Additional swimming support	£504	Provision of swimming for year 3 in addition to Years 4 and 5.	Wider access to swimming for children in school. Improved swimming with target of 100% attainment of swimming success. 100%	All year children attained 25 meters swim and safe self-rescue, a range of strokes. A good use of funding and sustainable in the event of continuing funding.

			of children achieved end of KS2 objectives for swimming including: safe self-rescue, a range of strokes.	Long term benefits to children in terms of swimming ability and safety.
Sports captain's hoodies	£120	Purchase of school hoodies to identify sports captain hoodies.	Sports captains selected from year 6 provided support to younger children at break times to access physical activities. Hoodies provided a level of self esteem for the sports captains and helped the younger children to identify them.	More participation in physical activities at break times, particularly with KS1 children having the support of older children in school. A low cost high impact option.
Total cost	£22722
